## Pre Christmas Meeting 2016

### Woking Golf Club – 05 December 2016

#### Report and Results

##### Report

We had another good turn out for the Pre Christmas meeting at Woking on 5<sup>th</sup> December, with 21 members and 15 guests, albeit the numbers were a little down on the 42 players we had last year.

The weather for our meeting was cold but fine. After several nights of freezing conditions, the fairways and in particular the greens were frozen, bouncy and hard, which made approach play really quite tricky. In the September visit to Woking, we had been made aware of the drainage works to some of the greens that was planned for the Autumn, and we had expected a number of temporary greens. In fact, we had 8 temporaries, but because of the frozen conditions, the temporaries did not make that much of a difference. As a result of the icy conditions, controlling the length of shots (particularly near the greens) was difficult and so the scoring was not as good as last year due, and the winning and average scores below reflected this.

Mark Southwell won the members competition (again) with a score of 37 points, ahead of Peter Leach in second with 36 Points. Roger North was third (on count back), with Ian Purser in fourth, both with 35 points. The average score for all members was 28.0, compared to 30.1 last year.

The guest prize was won by Karen Abeles with 35 points, with James Beattie in second place with 33 points, and Richard Russell in third place with 31 points. The average score for all guests was 28.7, compared to 31.4 last year.

It was as usual an enjoyable day played in a relaxed fashion. The lunch was excellent as always.

Please note that a provisional reservation for next year's event has been made with Woking for Monday 4<sup>th</sup> December 2017.
